

DKTK WORKSHOP PROTEOMICS

Date: 7th March, 2017
Time: 15:00 – 18:00 Uhr
Venue: Charité – Universitätsmedizin
Konferenzraum ehemalige Apotheke, Level 3
Campus Charité Mitte (CCM)
Hufelandweg 9
10117 Berlin

15:00 – 15:15 Clinical/Translational Research (each Talk 7 min)

Prof. Angelika Eggert

Charité, Department of Pediatrics, Division of Oncology and Hematology

Prof. Clemens Schmitt

Charité, Department of Hematology, Oncology and Tumor Immunology, Molekulares Krebsforschungszentrum (MKFZ), Berlin School of Integrative Oncology (BSIO) and Max Delbrück Center for Molecular Medicine

15:15 – 15:35 Technology Approaches (each Talk 5 min)

Prof. Matthias Selbach

Max Delbrück Center for Molecular Medicine, Proteome Dynamics

Prof. Frederick Klauschen

Charité, Institute of Pathology

Dr. Oliver Klein

Berlin-Brandenburg Center for Regenerative Therapies (BCRT)

Prof. Tim Conrad

Freie Universität Berlin, Computational Proteomics

15:35 – 16:35 Scientific Speed Dating

16:35 – 17:00 Coffee Break

17:00 – 18:00 Wrap Up - Concept Development

Contact: DKTK-Berlin@charite.de; Registration only for DKTK Members
